

It's Baby Ad Time!

The CMS yearbook staff has, once again, decided the Baby pages need to continue as a tradition in honor of our eighth graders. This tradition started with the first yearbook published the first year CMS opened. These pages are always a hit!

We can't do it without your help. We need a 25 word message in which you write a special message, quote, or poem in honor of your son or daughter. We ask that you keep the message to 25 words or less because our space is limited. In addition to the written message, we need a copy (not original) of your favorite photo of your son or daughter. The most popular photos have been from the baby days, toddler, or preschool school days. The photo is totally, your choice!

Yearbook staffers like to keep these pages somewhat secretive until the yearbook is distributed. When 8th graders find their picture on the Baby Ad pages, the excitement level escalates. These messages are very special.

If you would like to participate in this tradition, please complete your message on the form we have provided for you. You may handwrite or word process your message. Your photo will be returned, but please do not send originals. A check made out to CMS for \$25.00. Place the photo, check, and message in a sealed envelope and have your son or daughter place it in the yellow YEARBOOK box in the main office. Address the envelope to: Yearbook Staff – Baby AD with your name, phone number, and your son or daughter's full name.

Ad sales end Wednesday, November 18, 2009.

Mrs. Schlessinger and the ~~TOTALLY~~ AWESOME CMS Yearbook Staff

(Cut here)

Dear _____,
