

Student Drop-Off/Pick-up Guidelines

As cold weather approaches, and more parents might be driving their students to school, we wanted to restate our student drop-off procedure to ease your child's entrance onto our campus.

1. Please use the Primary Drop Off for students being dropped off or picked up from Century (See map above). Please pull well past the curve and crosswalk to drop off/pick up students
2. Parents must pull up to the curb to drop their students off or pick them up.
3. DO NOT drop off or pick up students in the inside through-lane. Cars pulling out might not see your student getting into or out of your car.
4. The main gym parking lot is for parents wishing to park and enter our building to meet with teachers, counselors or administrators. ***Parents should not utilize this as a pick up or drop off point.***
5. Students who are injured (e.g. those on crutches/wheelchairs) will be exempt from this rule.
6. Buses must have right of way **at all times** into our main gym parking lot. Parents should not enter the main/gym parking lot until all buses (10 of them) are in our loading zones.
7. **After** 8:27 AM and 3:55 PM the Secondary Gym/Main parking lot entrance may be used for drop off or pick up of students.
8. Do not utilize the bus lane for drop off/pick up at any time.
9. Parking along Lafayette is not appropriate at any time and are subject to ticketing by Thornton police.

Parent/Visitor Parking Guidelines

Century Middle School does not possess an abundance of parent parking. Please follow the procedures below to make your visit to our campus as pleasant as possible.

1. Parents wishing to enter our building to see teachers, pick up ill students or attend athletic or extracurricular events should utilize the main gym/primary parking lot (see map above).
2. Overflow parking is provided on the north and east side of our building for your convenience (see map above).
3. Parents may not park in bus or emergency lanes at any time!
4. Parents/Visitors may not park on the blacktop areas south of our gym or cafeteria at any time.
5. Please do not park in the condominium lots of our neighbors across the street. It is private property and should not be used.
6. Feel free to utilize the Educational Support Center Parking lot at 1500 E. 128th Ave during any large group event (Back to School Nights, Awards Ceremonies, etc.)
