

### PARTS OF SPEECH GAME DIRECTIONS:

1. You are to rewrite the sentence clearly in your journal.
2. You must punctuate and capitalize correctly.
3. You must label every word in the sentence by part of speech. A key has been given. If you miss one, you have to do an entirely new one, OVER AND OVER AGAIN UNTIL YOU ARE PERFECT.
4. Any student may be called on to explain why a word was labeled what it was labeled. The student must be able to explain or the word is counted wrong and you an entirely new one OVER AND OVER AGAIN UNTIL YOU ARE PERFECT.
5. In other words: use the cheat sheet, take your time, do it right, and make sure all teammates understand why you chose what you chose.
6. Every sentence gets harder.
