

THE ANSWER TO YOUR HOUSING ISSUES

By calling the state's only centralized housing helpline,
Colorado Housing Connects (1-844-926-6623), all Coloradans
can be connected to local housing resources.

Homeowners

Colorado Housing Connects can connect you to a HUD-approved housing counselor who will help you understand what your options are when you are facing foreclosure. We will get you the help you need so that you don't lose your home.

Renters

Colorado Housing Connects can help renters find affordable housing, work through tenant-landlord issues, find rental assistance when they are unable to pay their rent or are facing eviction, address housing discrimination and other related questions.

Homebuyers

Colorado Housing Connects can provide you with information on purchasing a home and refer prospective buyers to agencies that provide down payment assistance.

Landlords

Colorado Housing Connects can help landlords manage tenant relationships, and provide answers about housing vouchers and rental assistance programs.
